| Catalog # | Description                                                                                                         |
|-----------|---------------------------------------------------------------------------------------------------------------------|
| 1237564   | Eplerenone Related Compound F                                                                                       |
| 1237575   | Eplerenone Related Compound L                                                                                       |
| 1609910   | Schisandra Sphenanthera Fruit Dry Extract (1 g)                                                                     |
| 1096740   | D-Carnitine (25 mg)                                                                                                 |
| 1135022   | Clidinium Bromide Related Compound B                                                                                |
| 1135023   | Clidinium Bromide Related Compound C (25 mg) (Methyl 2-hydroxy-2,2-diphenylacetate) (International Restricted Item) |
| 1715051   | Vismodegib Related Compound A (15 mg) (N-(4-Chloro-3-(pyridin-2-yl)phenyl)-4-(methylsulfonyl)-2-nitrobenzamide)     |
| 1042771   | Aronia melanocarpa Fruit Dry Extract                                                                                |
| 1045596   | Azadirachta Indica Seed Oil                                                                                         |
| 1294270   | Glucotropaeolin Potassium Salt                                                                                      |
| 1367650   | Linoleic Acid                                                                                                       |
| 1372250   | Maca Root Glucosinolates Dry Extract                                                                                |
| 1607776   | Salannin                                                                                                            |
| 1374993   | Maltodextrin DE 10                                                                                                  |
| 1065710   | Beta-Lactoglobulin                                                                                                  |
| 1463299   | Nicotinamide Riboside Chloride                                                                                      |
| 1220468   | Dipropylene Glycol                                                                                                  |
| 1365072   | Levulinic Acid                                                                                                      |
| 1430110   | 5-Methylfuran-2(5H)-one                                                                                             |
| 1544701   | Pitavastatin Calcium                                                                                                |
| 1544712   | Pitavastatin Related Compound A                                                                                     |
| 1544723   | Pitavastatin Related Compound B                                                                                     |
| 1544734   | Pitavastatin Related Compound C                                                                                     |
| 1544745   | Pitavastatin Enantiomer                                                                                             |
| 1078868   | Busulfan                                                                                                            |
| 1164245   | Dasatinib Related Compound A                                                                                        |
| 1164256   | Dasatinib Related Compound B                                                                                        |
| 1165260   | Decitabine Related Compound F                                                                                       |
| 1715050   | Vismodegib                                                                                                          |
| 1269430   | 4-Fenfluramine Hydrochloride                                                                                        |
| 1718122   | Vortioxetine Related Compound H                                                                                     |
| 1718133   | Vortioxetine Related Compound I                                                                                     |
| 1568010   | Progesterone Related Compound C                                                                                     |
| 1667563   | Tiotropium Related Compound A                                                                                       |
| 1667654   | Tiotropium Related Compound F                                                                                       |

| Catalog # | Description                                                                                                                                            | 現行ロット<br>(新ロット) | 旧ロット<br>有効期限(年/月) |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|-------------------|
| 1430815   | 6-Methylnicotinic Acid (50 mg)                                                                                                                         | R210R0          | F001Y0 (2026/08)  |
| 1424084   | 9-Methylacridine (25 mg)                                                                                                                               | R240W0          | F008L0 (2026/08)  |
| 1012941   | Alginate Acid (100 mg)                                                                                                                                 | F109P1          | F109P0 (2026/07)  |
| 1015019   | Alprazolam Related Compound A (30 mg) (2-(2-acetylhydrazino)-7-chloro-5-phenyl-3H-1,4-benzodiazepine)                                                  | R216R0          | R07200 (2026/07)  |
| 1031004   | Amodiaquine Hydrochloride (500 mg)                                                                                                                     | R235S0          | R078L0 (2026/08)  |
| 1031503   | Amoxicillin (200 mg)                                                                                                                                   | R251E0          | R106H0 (2026/08)  |
| 1032007   | Amphotericin B (125 mg) (COLD SHIPMENT REQUIRED)                                                                                                       | R175K0          | R087G0 (2026/07)  |
| 1040005   | Antipyrine (200 mg)                                                                                                                                    | R238X0          | R02990 (2026/08)  |
| 1042918   | Articaine Hydrochloride (125 mg)                                                                                                                       | R242Y0          | R141M0 (2026/06)  |
| 1048233   | Bacoside A3 (15 mg)                                                                                                                                    | R244Q0          | R125J0 (2026/06)  |
| 1048255   | Balsalazide Disodium (200 mg)                                                                                                                          | R231Q0          | F01275 (2026/08)  |
| 1075203   | Bis(2-ethylhexyl)maleate (2 g) (Maleic acid, bis(2-ethylhexyl)ester)                                                                                   | R23770          | R04300 (2026/08)  |
| 1097589   | Cefdinir Related Compound B (10 mg) ((6R,7R)-7-[2-(2-amino-4-thiazolyl)acetamido]-8-oxo-3-vinyl-5-thia-1-azabicyclo[4,2,0]oct-2-ene-2-carboxylic acid) | R21420          | R079W0 (2026/07)  |
| 1102929   | Cetirizine Hydrochloride (250 mg)                                                                                                                      | R21350          | R059H0 (2026/06)  |
| 1134222   | Citalopram Related Compound H (25 mg) (3-[5-Bromo-1-(4-fluorophenyl)-1,3-dihydroisobenzofuran-1-yl]-N,N-dimethylpropan-1-amine hydrobromide)           | R240P0          | F0G224 (2026/07)  |
| 1134200   | Cladribine (200 mg)                                                                                                                                    | R20930          | R108Y0 (2026/06)  |
| 1140600   | Clopidogrel Related Compound C (20 mg) (methyl (-)-(R)-(o-chlorophenyl)-6,7-dihydrothieno[3,2-c]pyridine-5(4H)-acetate, hydrogen sulfate)              | R23200          | G0L573 (2026/06)  |
| 1150207   | Cottonseed Oil (1 g)                                                                                                                                   | R242P0          | R091F0 (2026/07)  |
| 1188571   | Diclazuril System Suitability Mixture (50 mg)                                                                                                          | R239M0          | F0H404 (2026/07)  |
| 1189009   | Dicloxacillin Sodium (300 mg)                                                                                                                          | R240L0          | R096W0 (2026/06)  |
| 1211006   | Dimethyl Sulfoxide (3 g)                                                                                                                               | R23460          | R132T0 (2026/07)  |
| 1221000   | Disodium Guanylate (350 mg)                                                                                                                            | R19590          | R11830 (2026/07)  |

| 1606401   | Rufinamide (200 mg)                                                                                                           | R248T0 |
| 1614705   | Sodium Stearyl Fumarate (200 mg)                                                                                              | R207L0 |
| 1629000   | Sulfamethazine (1 g)                                                                                                          | R23980 |
| 1683708   | Triethylene Glycol (1 mL)                                                                                                     | R24690 |

PHYSIO  
MCKINA

入庫待ち製品です。2025年8月15日時点での入庫予定日です。

| Catalog # | Description                                                                                                                                                                                | 入庫予定        |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| 1491281   | [Asp]5-Oxytocin (10 mg) (L-cysteiny-L-tyrosyl-L-isoleucyl-L-glutaminy-L-aspartyl-L-cysteiny-L-prolyl-L-leucyl-glycinamide)                                                                 | 未定          |
| 1491282   | [Glu]4-Oxytocin (10 mg) (L-Cysteiny-L-tyrosyl-L-isoleucyl-L-glutamyl-L-asparaginy-L-cysteiny-L-prolyl-L-leucylglycinamide cyclic (1->6)-disulfide)                                         | 未定          |
| 1011890   | Advantame Acid (20 mg) (N-[N-[3-(3-hydroxy-4-methoxyphenyl)propyl]aspartyl]phenylalanine)                                                                                                  | 未定          |
| 1012917   | Alfuzosin Hydrochloride (150 mg)                                                                                                                                                           | 2025年10-12月 |
| 1045508   | Aurothiogluucose (100 mg)                                                                                                                                                                  | 未定          |
| 1082639   | Butyl Stearate (500 mg)                                                                                                                                                                    | 2026年1-3月   |
| 1379081   | Calcium D,L-5-Methyltetrahydrofolate (300 mg)                                                                                                                                              | 2025年7-9月   |
| 1090150   | Canola Oil (1 g)                                                                                                                                                                           | 2025年10-12月 |
| 1096531   | Carboxymethylcellulose Calcium (1.5 g) (AS)                                                                                                                                                | 未定          |
| 1096779   | Casticin (25 mg)                                                                                                                                                                           | 2025年7-9月   |
| 1133864   | Cidofovir Enantiomer (15 mg) (1-[(R)-3-Hydroxy-2-(phosphonomethoxy)propyl]cytosine dihydrate)                                                                                              | 2026年1-3月   |
| 1134404   | Clavam-2-carboxylate Potassium (2 mg)                                                                                                                                                      | 未定          |
| 1138347   | Clobazam Related Compound E (25 mg) (N-[4-Chloro-2-(phenylamino)phenyl]-N-methylacetamide)                                                                                                 | 2025年10-12月 |
| 1142195   | Cobamide (3 x 100 mg) (5,6-Dimethylbenzimidazoly-Co-5'-deoxyadenosylcobamide)                                                                                                              | 2025年10-12月 |
| 1148090   | Collagenase II (2 x 0.5 mL) (COLD SHIPMENT REQUIRED)                                                                                                                                       | 2025年10-12月 |
| 1491283   | D-[Asp]5-Oxytocin (10mg) (L-cysteiny-L-tyrosyl-L-isoleucyl-L-glutaminy-D-aspartyl-L-cysteiny-L-prolyl-L-leucyl-glycinamide)                                                                | 未定          |
| 1163140   | Dantrolene (200 mg)                                                                                                                                                                        | 2025年10-12月 |
| 1180503   | Dextromethorphan (500 mg)                                                                                                                                                                  | 2025年10-12月 |
| 1187080   | Dibutyl Phthalate (200 mg)                                                                                                                                                                 | 2025年7-9月   |
| 1191011   | Dicyclomine Related Compound A (40 mg) ([1,1'-Bi(cyclohexane)]-1-carboxylic acid)                                                                                                          | 2025年7-9月   |
| 1204102   | Dihydroxyacetone (250 mg)                                                                                                                                                                  | 2025年10-12月 |
| 1224664   | Docosyl Ferulate (50 mg)                                                                                                                                                                   | 2025年10-12月 |
| 1268794   | Etonogestrel Related Compound A (10 mg) (13-Ethyl-11-methylenegon-4-ene-3,17-dione)                                                                                                        | 未定          |
| 1268852   | Etoposide Resolution Mixture (10 mg)                                                                                                                                                       | 2025年7-9月   |
| 1269924   | Fentanyl Related Compound B (10 mg) (4-Anilinopiperidine)                                                                                                                                  | 未定          |
| 1295731   | Glyceryl Monolinoleate (500 mg)                                                                                                                                                            | 2026年1-3月   |
| 1302214   | Guggulsterone Z (25 mg)                                                                                                                                                                    | 未定          |
| 1330005   | Hypromellose (250 mg)                                                                                                                                                                      | 未定          |
| 1347802   | Isobutyl Acetate (1.2 mL/ampule; 3 ampules)                                                                                                                                                | 2026年1-3月   |
| 1349014   | Isoflurane Related Compound A (0.1 mL) (1-Chloro-2,2,2-trifluoroethyl chlorodifluoromethyl ether)                                                                                          | 2025年7-9月   |
| 1355753   | Kawain (200 mg)                                                                                                                                                                            | 未定          |
| 1356880   | Lanolin (20 g)                                                                                                                                                                             | 2026年1-3月   |
| 1369055   | Lithol Rubine BK (100 mg) (2-Naphthalenecarboxylic acid, 3-hydroxy-4-[(E)-2-(4-methyl-2-sulfohenyl)diazenyl]-, calcium salt (1:1))                                                         | 未定          |
| 1445608   | Moexipril Related Compound A (20 mg) ((3S)-2-((2S)-N-[(1S)-1-Carboxy-3-phenylpropyl]alanyl)-1,2,3,4-tetrahydro-6,7-dimethoxy-3-isoquinolinecarboxylic acid)                                | 未定          |
| 1445619   | Moexipril Related Compound B (20 mg) ((S)-ethyl 2-((3S,11aS)-8,9-dimethoxy-3-methyl-1,4-dioxo-3,4-dihydro-1H-pyrazino[1,2-b]isoquinolin-2(6H,11H,11aH)-yl)-4-phenylbutanoate)              | 未定          |
| 1446950   | Moricizine Hydrochloride (250 mg)                                                                                                                                                          | 未定          |
| 1478152   | Oleoyl Polyoxylglycerides (100 mg)                                                                                                                                                         | 2026年1-3月   |
| 1478265   | Olive Leaf Dry Extract (500 mg)                                                                                                                                                            | 未定          |
| 1505030   | Pentazocine Related Compound B (25 mg) ((2R,6R,11R)-3-(3-Hydroxy-3-methylbutyl)-6,11-dimethyl-1,2,3,4,5,6-hexahydro-2,6-methanobenzo[d]azocin-8-ol)                                        | 2025年7-9月   |
| 1534413   | Phenyltoloxamine Related Compound A (50 mg) (2-(2-Benzylphenoxy)ethylmethylamine hydrochloride)                                                                                            | 2025年7-9月   |
| 1535733   | Phosphatidylcholine (250 mg) (INTERNATIONAL COLD CHAIN SHIPMENT REQUIRED)                                                                                                                  | 2025年7-9月   |
